

Jessica Bichler

EDUCATION INFORMATION:

BFA Film, Photography, and Visual Arts, Ithaca College, 2000

SUBFIELD

Visual / Cultural Anthropology

AREAS OF INTEREST:

Examination of the role of media in influencing reproductive health and family planning decisions among Washington DC's Latina population.

MA PROJECT:

Using the Film Archives at the Smithsonian Institute, I will screen various representations of pregnancy, motherhood, and women's roles from around the world with group of women from Washington DC's Latina population to explore conceptions of these roles and audience reception to different styles of filmmaking.

ADVISOR:

Erica Gibson

CONFERENCES ATTENDED:

AAA Philadelphia Nov-Dec 2009

PROFESSIONAL AFFILIATIONS:

American Anthropological Association (AAA)
