Each year the College of Arts and Sciences presents three awards of recognition to alumni and friends of the College who have demonstrated outstanding achievement or service to the College. We invite all departments within the College, as well as alumni, to nominate individuals to be considered as recipients of these awards. To nominate an individual you must complete a copy of the attached nomination form and return it to me, Ann Cameron, Office of External Relations, Room 256, Gambrell Hall. In addition to completing the information on the form, we encourage you to include as much information as possible about the person you are nominating and why you feel they are deserving of the award. The deadline for receiving nominations is September 15, 2010. We will not be able to accept any nominations after that date, so please be sure to get your information to me as soon as possible. After September 15th, the Arts and Sciences Alumni Council Awards Committee will review all nominations and make their recommendation of award recipients to the Dean. Award winners will be announced by December 1, 2010. The awards will be presented at our annual awards ceremony on in spring 2011.
