UNIVERSITY OF
SOUTH CAROLINA

The University of South Carolina's main campus in the state capital, close to mountains and coast, is ranked by the Carnegie Foundation for the Advancement of Teaching as an institution of "very high research activity." With over 27,000 students, 350 degree programs, and a nationally-ranked library system, the university is often considered to be one of the most beautiful campuses in an urban setting, with a population of over 650,000 in the greater metropolitan area.

The University of South Carolina provides equal opportunity and affirmative action in education and employment for all qualified persons regardless of race, color, religion, sex, national origin, age, disability, sexual orientation, or veteran status. The University of South Carolina is an affirmative action, equal opportunity employer. Minorities and women are strongly encouraged to apply.
