

# The Republican Experiment in 19th Century Latin America

Dr. Hilda Sabato

4:00pm

Monday, March 1  
Gambrell Hall 151

Dr. Hilda Sabato, Professor of History at the University of Buenos Aires, Argentina, has been a fellow at the Princeton Institute for Advanced Study as well a Tinker visiting Professor at Stanford University. This public lecture is sponsored by ARENA, the Department of History, the Latin American Studies Program, and the Walker Institute of International and Area Studies, honoring the 200th anniversary of the Latin American Independence movements.
