MINOR IN AFRICAN STUDIES

The minor in African Studies focuses primarily on sub-Saharan Africa. This region's historical and current connections with North Africa and the neighboring Middle East, however, have led to the inclusion of up to six hours (two courses) on the latter areas among those approved for the African Studies minor. Successful completion of the minor requires 18 hours, or six three-hour courses, taken from at least two departments and within the categories below. To count for minor credit, each course needs to be passed with a grade of C or higher. The approved course list is subject to change as departments add or drop courses with substantial African content.

- A. **Core courses**—six hours, or two courses, selected from the following:
1. **HIST 106**, Introduction to African History
 2. **GEOG 228**, Geography of Sub-Saharan Africa
 3. **ANTH 307**, Cultures of Africa
- B. **Courses on North Africa and the Middle East**—at least three hours (one course) and no more than six hours (two courses), selected from among:
1. **ARAB 121**, Beginning Arabic
 2. **ARAB 122**, Beginning Arabic
 3. **ARAB 201**, Intermediate Arabic
 4. **ARAB 202**, Intermediate Arabic
 5. **ARAB 398**, Selected Topics
 6. **HIST 104**, Introduction to the Civilization of the Islamic Middle East
 7. **HIST 348**, North Africa from Colonialism to Revolution: 1830-1962
 8. **HIST 349**, Contemporary Middle East and North Africa
 9. **HIST 386/RELG 354**, Islamic Institutions and Traditions
- C. **Additional courses**—two or three courses selected from the following (enough to add up to 18 hours for the minor):
1. **ECON 505**, International Development Economics
 2. **ENGL 348**, African Literature
 3. **FREN 453**, Francophone Literatures and Cultures
 4. **GEOG 569**, Environment and Development
 5. **HIST 351**, Africa to 1800
 6. **HIST 352**, Africa since 1800
 7. **HIST 566**, Problems in the History of Africa South of the Sahara
 8. **POLI 380**, Comparative Politics of Developing Countries
 9. **POLI 432**, Nationalism and Ethnicity in World Politics
 10. **POLI 433**, Economic Aspects of International Politics
 11. **SWAH 121**, Beginning Swahili
 12. **SWAH 122**, Beginning Swahili

Note: In addition, a student may petition the African Studies Program to apply special topic or independent study courses with substantial African content towards the minor.

MINOR IN AFRICAN AMERICAN STUDIES

A minor in African American Studies is proposed for students who desire to gain insight and knowledge of the history and culture of African Americans. It is designed for students who wish to pursue careers in communities where an understanding of African American Studies would enhance their interpersonal relationships. The minor should strengthen the academic and human exposure of those who seek employment in a multi-cultural environment. It should be of particular importance to students seeking careers in Business, Education, Liberal Arts, Medicine, Public Health, Social Work, and Journalism. The African American Studies minor also is suggested for individuals who intend to do graduate study or research in African American Studies.

Students are required to take African American Studies 201 and 202, and to choose an additional twelve (12) credits from the courses listed below:

AFRO 308	African American Feminist Theory
AFRO 335	Survey of Civil Rights Movement
AFRO 498,499	Seminar in African American Studies
ANTH 303	African American Cultures
ANTH 307	Culture of Africa

MINOR IN COMMUNICATION SCIENCES AND DISORDERS

The Department of Communication Sciences and Disorders (COMD) offers courses focusing on speech and language function in children and adults. COMD's primary mission is to train graduate speech-language pathologists to work with children and adults who have problems in communication due to developmental delays; voice disorders or stuttering; diseases like stroke or Parkinson's disease; and communication problems due to traumatic brain injury or accidents. Graduates work in hospitals, rehabilitation centers or schools, and 100% of the graduates are employed at graduation.

As part of this program, a minor has been developed for undergraduate students interested in learning more about the field of speech-language pathology, expanding their background in child development or adult rehabilitation, or the study of normal human language function. The minor is an excellent area of study for students in education, exercise science, sociology, psychology, biology, foreign languages, linguistics, special education, as well as many other related fields. The COMD minor consists of 18 hours of course selections offered in the Fall and Spring semesters and again during Summer I and II. These courses include:

<u>Course</u>		<u>Offered</u>
COMD 500	Introduction to Communication Disorders (3)	Fall & Spring
COMD 501	Anatomy and Physiology of the Speech and Hearing Mechanism (3)	Fall & Summer I
COMD 507	Phonetics (3)	Fall & Summer I
COMD 560 (525a)	Observation in Speech & Audiology* (3)	Fall, Spring, & Summer I
COMD 526	Articulation Disorders** (3)	Spring & Summer II
COMD 570	Introduction to Language Development (3)	Spring & Summer II

*COMD 500 and background check prerequisite

**COMD 507 Prerequisite

MINOR IN COMPARATIVE LITERATURE

Required (6 hours):

CPLT 270	World Literature
CPLT 300	Introduction to Comparative Literature

Electives (6 hours):

CPLT 301 (=ENGL 390)	Great Books of the Western World I
CPLT 302 (=ENGL 391)	Great Books of the Western World II
CPLT 303 (=ENGL 392)	Great Books of the Eastern World

AND One CPLT course, 300-level or above

AND One literature course in the student's foreign language, 300-level or above

MINOR IN COMPUTER SCIENCE

You must take the required courses and choose one of the following tracks.

Required Courses (11 hours):

CSCE 145	Algorithmic Design I (4)
CSCE 146	Algorithmic Design II (4)
CSCE 212	Introduction to Computer Architecture (3)

Advanced Courses (9 hours):

Any two CSCE courses at the 300 level or above with the exception of CSCE 500.

Note: Some of these courses have MATH or STAT prerequisites that are not listed.

Recommended tracks are listed below. Each track has one course that is required. Some of the tracks have choices for the 2 remaining courses. Others have specific course requirements.

Artificial Intelligence Tracks

CSCE 245	Object-Oriented Programming Techniques
	<i>and</i>
CSCE 350	Data Structures and Algorithms
CSCE 580	Artificial Intelligence

Database Track

CSCE 245	Object-Oriented Programming Techniques
	<i>and</i>

Choose two:

CSCE 311	Operating Systems
CSCE 330	Programming Language Structures
CSCE 520	Database System Design

Hardware Track

CSCE 211	Digital Logic Design
	<i>and</i>
CSCE 313	Embedded Systems Laboratory
CSCE 513	Computer Architecture

Programming Languages Track

CSCE 245 Object-Oriented Programming Techniques
and
CSCE 330 Programming Language Structures
CSCE 531 Compiler Construction

Scientific Computing Track

CSCE 245 Object-Oriented Programming Techniques
and
CSCE 564 Computational Science
CSCE 567 Visualization Tools

Systems Programming Track

CSCE 245 Object-Oriented Programming Techniques
and
Choose two:
CSCE 311 Operating Systems
CSCE 510 Systems Programming
CSCE 547 Windows Programming

Theory of Computation Track

CSCE 245 Object-Oriented Programming Techniques
and
Choose two:
CSCE 350 Data Structures and Algorithms
CSCE 355 Foundations of Computation
CSCE 551 (= MATH 562) Theory of Computation

MINOR IN CRIMINAL JUSTICE

This minor will provide the student with an overview of the criminal justice system, including courses specifically dealing with each of the three major sub-systems (police, courts, and corrections), as well as a course in criminal law and a course in criminology. Students majoring in Sociology, Psychology, and Political Science (particularly those interested in public administration) will find this to be an attractive and suitable minor. Also, any student interested in graduate study in the field of criminal justice would benefit greatly from this minor, as would any student with a general interest in the area of social services or human welfare.

Required (3 hours):

CRJU 101 The American Criminal Justice System

Choose any two (6 hours):

CRJU 211 The American Police System

CRJU 221 The American Criminal Court System

CRJU 231 The American Correctional System

Electives: (9 hours):

Choose one:

CRJU 321 Criminal Law

CRJU 341(=SOCY 353) Sociology of Crime

AND

Two additional Criminal Justice courses at the 300-, 400- or 500-level.

MINOR IN DANCE

This minor consists of 3 hours of DANC 577 Dance Performance (1) with the USC Dance Company and 6 hours of Dance Technique courses (4 hours of which are at the intermediate or advanced levels) from the following list:

Required:

DANC 274	Beginning Modern Dance (1)
DANC 374	Intermediate Modern Dance (1)
DANC 375	Beginning Ballet (1)
DANC 376	Intermediate Ballet (1)
DANC 378	Beginning Jazz Dance (1)
DANC 379	Intermediate Jazz Dance (1)
DANC 474	Advanced Ballet (1)

Electives (9 hours):

DANC 101	Dance Appreciation
DANC 371	Introduction to Choreography
DANC 377	Historic Dance
DANC 380	Musical Theatre
DANC 390	Dance Studio Operations
DANC 399	Independent Study

MINOR IN ECONOMICS

Prerequisite:

ECON 224 Introduction to Economics (3)

OR

ECON 221 Principles of Microeconomics (3)

AND

ECON 222 Principles of Macroeconomics (3)

Required (6 hours):

ECON 321 Economic Theory (microeconomics)

ECON 322 Economic Theory (macroeconomics)

AND an additional twelve hours of approved electives from courses numbered 300-500.

No more than 6 hours of 300-level electives may count towards an economics minor.

MINORS IN EDUCATION

Any undergraduate student interested in schools, children, and families may complete a general education minor which must include the 12-hour education core courses plus six additional hours of education courses or other courses on the approved list of electives (see below). Any undergraduate student interested in teaching in secondary schools should contact her/his major academic advisor or the Office of Student Affairs in the College of Education for an advisement supplement. [Note: Certification in Secondary Education is not awarded until after the 5th year masters program.]

EARLY CHILDHOOD EDUCATION MINOR

Students may complete any degree program outside of education and include the Education Minor in Early Childhood Education. Students entering the University prior to September 1, 2003 who wish to become teachers through the 5th year masters program should complete the education core, specialty area, and additional requirements listed below. The fifth year Master's option for Early Childhood Education is not available to students who were first admitted and/or enrolled as a freshman after the Fall 2003 term.

Core Requirements:

- EDFN 300 Schools in Communities (3)
(Coreq: EDTE 400 and completion of community service project)
- EDTE 400 Learning through Community Service (1)
(Coreq: EDFN 300 and completion of community service project)
- EDPY 401 Learners and the Diversity of Learning (3)
(Coreq: EDPY 401P; Prereq: EDFN 300 AND EDTE 400)
- EDPY 401P Practicum: Learners and the Diversity of Learning (1)
(Coreq: EDPY 401)
- EDTE 402 Teachers and Teaching (3)
(Coreq: EDTE 402P; Prereq: EDFN 300 and EDTE 400, EDPY 401 and EDPY 401P)
- EDUC 402P Practicum: Teachers and Teaching (1)
(Coreq: EDTE 402)

Specialty Area Requirements:

- EDEC 540 The Young Child
(Prereq: Successful completion of education core requirements)
- EDEC 610 Family Life Education: A Developmental Perspective (3)
(Prereq: EDEC 540)

Additional Requirements: (to be completed within the degree program)

English composition, grammar, and literature	(9)
Children's literature (e.g. SLIS/CLIS 325, 523, or 525, ENGL 431)	(3)

MINOR IN ENGLISH

Prerequisites:

ENGL 101 and 102 and one sophomore English course chosen from ENGL 283, 285, 287-289. These courses will also satisfy basic degree requirements in the College of Arts and Sciences, Liberal Arts division.

Required:

Eighteen hours of 300-500 level ENGL courses.

MINOR IN ENVIRONMENTAL STUDIES

The minor in Environmental Studies consists of a **minimum** of 18 hours. Four courses (12-13 hours) make up the required core. The remaining 6 hours must come from the approved courses list. Students wishing to enter the Environmental Studies minor must first complete ENVR 101 and 101L as a prerequisite. A course in statistics (STAT 110 or equivalent) is strongly recommended. All prerequisite courses may be used to meet general education requirements, if applicable. Students enrolled in the College of Science and Mathematics or the College of Engineering must choose their remaining hours from the courses listed below specifically for them. Students who are enrolled in other colleges or schools should choose their remaining hours from the courses listed specifically for them. No courses will be allowed to count for both the minor in Environmental Studies and the student's major. South Carolina Honors College students are encouraged to pursue this course of study, but honors proseminars in environmentally-related subjects used for credit toward the minor must be approved by the School of the Environment Education Committee.

A student may pursue a minor in Environmental Studies with the academic advisor's approval. The student must declare the selection of the minor in the office of the student's major academic dean. Further information may be obtained from the School of the Environment, Office of the Dean, Byrnes Building, Room 7021, University of South Carolina, Columbia, SC 29208; Phone: (803) 777-1825; e-mail: meerm@environ.sc.edu.

MINORS IN GEOGRAPHY

GENERAL GEOGRAPHY

The Department of Geography offers a flexible General Geography minor that requires 18 credit hours in geography courses. Students may not apply more than 3 credit hours from the 100-level and not more than 9 credit hours from the 200-level. Besides the General Geography minor, students may instead choose a specialized minor in the following areas: Meteorology and Climatology, Physical Geography, Geographic Information Science, Regional Geography, Environmental Geography, and Human Geography. Please see a faculty advisor in the Department of Geography for more details on the requirements for specialized minors.

METEOROLOGY AND CLIMATOLOGY

Designed for students interested in atmospheric science who wish to apply these skills to the workplace or graduate school.

Required (4 hours):

GEOG 202 Introduction to Weather and Climate (4)

Choose four courses from the list below (at least 14 hours):

GEOG 346 Climate and Society (3)
GEOG 371 Air Pollution Climatology (3)
GEOG 545 Synoptic Meteorology (4)
GEOG 546 Applied Climatology (4)
GEOG 567 Long Term Environmental Change (3)
GEOG 571 Microclimatology (4)
GEOG 573 Climate Variability and Change (3)

PHYSICAL GEOGRAPHY

Designed for students interested in the natural environment and environmental impact studies, students interested in the planning field, and for students working toward a certificate in Earth Sciences.

Required (8 hours):

GEOG 201 Introduction to Physical Geography (4)
GEOG 202 Introduction to Weather and Climate (4)

Choose four courses from the list below (12-14 hours):

GEOG 346 Climate and Society (3)
GEOG 347 Water as a Resource (3)
GEOG 348 Biogeography (3)
GEOG 371 Air Pollution Climatology (3)
GEOG 430 The Geography of Disasters (3)
GEOG 516 Coastal Zone Management (3)
GEOG 545 Meteorology (4)
GEOG 546 Applied Climatology (4)
GEOG 547 Fluvial Geomorphology (3)
GEOG 567 Long-Term Environmental Change (3)
GEOG 570 Geography of Public Land and Water Policy (3)
GEOG 571 Microclimatology (4)
GEOG 573 Climate Variability and Change (3)

GEOGRAPHIC INFORMATION SYSTEMS

Designed for students interested in obtaining an in-depth background in the techniques of modern cartography, remote sensing and geographic information systems and students interested in adding a strong graphics and mapping ability to their natural or social science major, or to their professional field.

Required (3 hours):

GEOG 141 The Earth From Above (3)

Choose two of the following (6 hours):

GEOG 341 Cartography (3)

GEOG 345 Interpretation of Aerial Photographs (3)

GEOG 363 Geographic Information Systems (3)

Choose three of the following (9 hours):

(excluding any used to meet the required hours above)

GEOG 341 Cartography (3)

GEOG 345 Interpretation of Aerial Photographs (3)

GEOG 363 Geographic Information Systems (3)

GEOG 541 Advanced Cartography (3)

GEOG 551 Principles of Remote Sensing (3)

GEOG 562 Satellite Mapping and the Global Positioning System (3)

GEOG 563 Advanced Geographic Information Systems (3)

GEOG 564 Cartographic Modeling (3)

REGIONAL GEOGRAPHY

Designed for students interested in obtaining an understanding of the variety of physical and cultural landscapes present in world regions. Particularly appropriate for students with international interests.

Required (9 hours):

GEOG 121 World Regional Geography (3)

GEOG 200 Introduction to Physical Geography (3)

GEOG 210 Introduction to Human Geography (3)

Choose three courses from the following (9 hours):

GEOG 220 Selected Topics in Regional Geography (3)

GEOG 221 Geography of South Carolina (3)

GEOG 223 Geography of Latin America (3)

GEOG 224 Geography of North America (3)

GEOG 225 Geography of Europe (3)

GEOG 226 Geography of the Middle East (3)

GEOG 228 Geography of Sub-Saharan Africa (3)

GEOG 420 Selected Topics in Regional Geography (3)

GEOG 521 Landscapes of South Carolina (3)

ENVIRONMENTAL GEOGRAPHY

Designed for students interested in the geographical and policy dimensions of environmental issues at the national and global levels.

Required (9 hours):

- GEOG 210 Introduction to Human Geography (3)
- GEOG 343 Human Impact on the Environment (3)
- GEOG 530 Environmental Hazards (3)

Choose three of the following:

- GEOG 346 Climate and Society (3)
- GEOG 347 Water as a Resource (3)
- GEOG 370 America's National Parks (3)
- GEOG 371 Air Pollution Climatology (3)
- GEOG 430 The Geography of Disasters (3)
- GEOG 511 Planning and Locational Analysis (3)
- GEOG 516 Coastal Zone Management (3)
- GEOG 530 Environmental Hazards (3)
- GEOG 546 Applied Climatology (4)
- GEOG 566 Social Aspects of Environmental Planning and Management (3)
- GEOG 568 Human Dimensions of Global Environmental Change (3)
- GEOG 569 Environment and Development (3)

HUMAN GEOGRAPHY

Required (3 hours):

- GEOG 210 Introduction to Human Geography

Choose one (3 hours):

- GEOG 211 Cultural Geography
- GEOG 212 Economic Geography

Choose four (12 hours):

- GEOG 312 Geography of World Problems
- GEOG 333 Geography of World Music
- GEOG 344 Urban Geography
- GEOG 370 America's National Parks
- GEOG 509 Industrial Location
- GEOG 511 Planning and Locational Analysis
- GEOG 512 Advanced Cultural Geography
- GEOG 515 Seminar in Political Geography
- GEOG 544 Geography of the City
- GEOG 569 Environment and Development

MINOR IN GERMAN

A minor in German requires eighteen hours of course work on the **200-level** and above. For course descriptions, see <http://www.sc.edu/bulletin/ugrad/LibLangLitCul.html>

- a maximum of **two** courses on the **200-level**:
 - GERM 210 Intermediate German
 - GERM 211 Intermediate German
 - GERM 216 Intermediate German for Business and Other Professions through the Internet
 - GERM 280 German Culture (taught in English)
- **four** courses on the **300-level and above**:
 - GERM 310 German Conversation
 - GERM 311 German Conversation and Composition
 - GERM 316 German for Business and Other Professions
 - GERM 320 German Kabarett Production
 - GERM 333 Study of German Abroad
 - GERM 340 Readings in German Literature
 - GERM 398 Selected Topics
 - GERM 410 Advanced German Conversation
 - GERM 411 Advanced Language Practice in German
 - GERM 416 Advanced German for Business and Other Professions
 - GERM 420 German Literature and Culture of the Middle Ages and Early Modern Period
 - GERM 430 The Age of Goethe
 - GERM 440 German Literature and Culture of the 19th Century
 - GERM 450 German Literature and Culture from 1890-1945
 - GERM 460 Post-War and Contemporary German Literature
 - GERM 500 Survey of German Culture
 - GERM 515 Introduction to German Linguistics
 - GERM 580 Topics in German Film (taught in English)
 - GERM 598 Selected Topics in German

All six courses can be taken above the 200-level. Only one German course taught in English (GERM 280, 398, or 580) may count towards the minor.

Students majoring in Business are encouraged to enroll in **GERM 316 and GERM 416**.

A maximum of six hours of **GERM 333, Summer Study Abroad**, applies to the German minor. Transfer credit from study in the exchange programs with [Bamberg](#) and [Wittenberg](#) can be included in the German minor. Students who begin their German minor with knowledge of German and who are placed in the 300-level or higher may petition for credit-by-examination (for a maximum of 6 credits). The student who wants to become proficient in communication skills would, most likely, take the sequence 310, 311, 410, 411.

For more information, please contact the German advisor, Paulette Jimenez (jimenez@sc.edu), 777-4882) or the German Program Director, Dr. Nicholas Vazsonyi (vazsonyi@sc.edu).

Minor in Health Promotion, Education and Behavior (HPEB)

The minor in Health Promotion, Education and Behavior (HPEB) requires a minimum of 18 credit hours. This minor provides a basic foundation for students desiring preparation in health promotion, health education, health behavior change, and disease prevention. The minor in HPEB may be used in combination with many majors to enhance student's career opportunities and as preparation for graduate study in a variety of health and health-related disciplines. The HPEB minor is compatible with various majors such as, but not limited to: exercise science, psychology, sociology, anthropology, political science and international studies, nursing, women's studies, physical education, and instruction and teacher education. A **minimum of 18 credit hours** is required from the following curriculum. Students must complete courses with a grade of 'C' or higher.

Core Course Requirements

Course Number	Course Title	CR	Offered
HPEB 300	Introduction to Health Education	(3)	Fall, Spring
HPEB 321	Personal and Community Health	(3)	Fall, Spring, Sum I & II

Note: Courses toward minor to be selected from the above list in conjunction with MAJOR advisor.

Minor in Inquiry

This minor is designed for students who wish to prepare for an intensive undergraduate research experience. The program of study, designed in close consultation with both the student's major and SCHC advisors, will provide a richer understanding of the logic, conduct, and context of inquiry in related disciplinary arenas.

Application. Interested students must complete an application and qualify for the minor. Applications can be submitted any time after completion of the first year. Normally, students will be expected to have at least a 3.30 grade point average. Applications will be evaluated on overall merit by the Minor in Inquiry Oversight Committee. Applications may be obtained from the South Carolina Honors College, the College of Arts and Sciences, and online on the Honors College Web site.

Opportunity to Participate in the Honors College. The Minor in Inquiry is open to all qualified undergraduates, in and outside the Honors College. All students in the minor will be given priority access to minor-eligible courses offered in the Honors College. They will also be given priority consideration for the SCHC Undergraduate Research Assistantships. Finally, non-honors students in the minor will be given the opportunity to undertake a senior honors thesis or project. Non-honors students admitted to the minor will be assigned the appropriate Honors College advisor who will work with the student and the student's major advisor to plan the most suitable program.

Requirements. Eighteen credit hours are required to satisfy the minor, distributed over three levels. At least half of the credits must be in the Honors College. Each student must take at least one of the appropriate Level I, "Fundamentals," courses. These courses introduce some fundamental problems of inquiry confronting those working within related disciplines (for example, the natural sciences). In addition, a student must take at least three courses from Level II. Level II courses must be taken outside of the student's major discipline. These courses, chosen in close consultation with the student's advisors, are intended to broaden and deepen the student's understanding of the nature and problems of inquiry introduced in the Fundamentals course, as well as explore new areas affecting the conduct and context of inquiry in the student's area of interest. In some cases a student may elect to take a second Level I course. The final two courses may be selected from among advanced research courses (400 level and above) in the student's major discipline including the senior thesis/project. Disciplinary courses counted toward the minor must be approved by both the student's major and honors advisors and cannot count toward major credit. Alternatively, the student may elect to take additional Level II courses.

Required Level I Course

Each student must select the appropriate course from the following:

SCCC 280A: Fundamentals of Inquiry in the Social Sciences
SCCC 281A: Fundamentals of Inquiry in the Humanities
SCCC 285A: Fundamentals of Scientific Inquiry

Level II Courses

The following courses address fundamental issues in the logic, context, and conduct of inquiry in certain broad areas of research. Students must select at least three of these courses with the advice and approval of their major and minor advisors and are expected to reflect the area of the student's research interests. These courses must be outside their particular major. They may substitute a second Level I course for one of these three.

SCCC 483B: Visual Thinking
SCCC 485B: Creativity
STAT 506: Experimental Design
STAT 515: Statistical Methods I
STAT 516: Statistical Methods II

Level III Courses

At Level III of the minor, students will have the option of using up to 6 credit hours of advanced research courses (400-level and above) from their major discipline, including Senior Thesis/Project, toward the minor. If they elect to do so, these courses could not count toward their major requirements. Students may also choose to complete their minor by taking additional contextual Level II courses, while taking advanced research courses in their discipline as part of their major program. Minor-eligible, advanced research courses must be approved by both the honors and major advisors. Examples might include BIOL 498: Biological Research for a biology major or HIST 692: Historic Preservation Field Experience for a history major.

MINOR IN LATIN AMERICAN STUDIES

The interdisciplinary minor in Latin American Studies requires a minimum of 18 credit hours. Because LASP is an interdisciplinary program, we encourage students to take LASP courses offered in the academic disciplines of history, political science, anthropology, geography, literature and languages, and additional areas as they are offered. **Coursework in at least two disciplines is required for the minor.** Students pursuing the minor in Latin American Studies are required to select Spanish or Portuguese as their language of study, and they must complete at least one 3-hour course at the 200-level in that language. The 200-level course (or equivalent demonstration of language proficiency) is considered a prerequisite for the minor and will not count as part of the 18 hours. Examples of courses offered regularly that could be taken by students minoring in LASP are listed below. In addition to these, there are often Special Topics courses appearing on the course schedule as sections of LASP 398.

Suggested courses:

LASP 311 (=ANTH 301)	Latin American Cultures
LASP 322 (=ANTH 331)	Mesoamerican Prehistory
LASP 331 (=GEOG 223)	Geography of Latin America
LASP 342 (=HIST 421)	Modern Latin America
LASP 351 (=POLI 488)	Politics and Governments of Latin America
LASP 361 (=SPAN 401)	Spanish American Civilization
LASP 371 (=SPAN 405)	Literary Tendencies and Masterpieces of Spanish America
LASP 451 (=POLI 437)	International Relations of Latin America

Courses pertinent to Latin American Studies but not listed as LASP courses may be approved for credit in the minor, if appropriate, by the LASP Director.

MINOR IN LINGUISTICS

The minor in Linguistics consists of 18 hours.

Required Courses (3 hours):

LING 300 Introduction to Language Sciences

OR

LING 301 The English Language

Any five (5) additional LING courses at the 310-level or above.

For more information on the undergraduate linguistics program, see:

<http://www.cas.sc.edu/ling/undergrad.html>

MINOR IN MEDIA ARTS

Students must complete courses with a grade of "C" or higher.

Required Courses (6 hours):

MART 110 Introduction to Media Arts
MART 201 Introduction to Media Development

AND:

Choose 2 courses from 200-300 level (6 hours).

AND:

Choose 2 courses from 400-500 level (6 hours).

MINOR IN MEDICAL HUMANITIES

This minor is designed primarily for students intending to go into medicine. It will provide an understanding of the ethical issues as well as a selective examination of sociocultural, legal, economic, and political factors that condition medical knowledge and practice. The minor will also be valuable for students interested in health law or other areas directly related to the health professions.

Application: Students must complete an application, and qualify for the medical humanities minor. Applications can be submitted any time after the freshman year (30 credit hours completed). Normally, students will be expected to have at least a 3.3 grade point ratio. Applications will be evaluated by a Medical Humanities Education Committee, and they will be judged on overall academic merit. Application forms can be obtained from the Department of Philosophy, College of Arts and Sciences (Gambrell 258 or Jones Physical Science Center 108), and the Honors College.

Opportunity to Participate in Honors College Courses: Several courses in the medical humanities minor will be offered as honors courses. Students minoring in medical humanities will be able to take these courses, and they will have priority in registration, even over Honors College students who are not minoring in medical humanities. This will provide students outside of the Honors College with the opportunity to do extensive course work in the Honors College.

Requirements: 18 credit hours are required to satisfy the minor. There is one required course (3 credit hours). Three additional courses (9 credit hours) must be chosen from offerings in Group A. Remaining courses (6 credit hours) can be chosen from either Group A or Group B. Additional Honors proseminars in the medical humanities may satisfy minor requirements in either Group A or B, provided the course substitutions are approved by the Medical Humanities Education Committee.

*Course substitutions approved by the Medical Humanities Education Committee.

MINOR IN MILITARY SCIENCE

The proposed Military Science Minor embodies the U.S. Army's leadership development program. Coursework in this minor involves continuous evaluation, feedback, and self-assessment through an intense leadership assessment process. Students learn leadership through practical application. Practical exercises emphasize problem analysis, decision formulation, articulation, and coordination. Students who successfully complete this minor meet requirements for effective commissioned service in the U. S. Army.

All students minoring in Military Science must complete the designated required courses and professional military education courses. The student must earn a grade of C or better in all minor courses.

Required Courses (16 hours):

ARMY 301	Advanced Military Decision Making (4)
ARMY 302	Applied Military Leadership (4)
ARMY 401	Leadership and Management Seminar I (4)
ARMY 402	Leadership and Management Seminar II (4)

Professional Military Education Courses:

(Choose from below one history course and one computer science course)

HIST 370	The Napoleonic Wars (1796-1875) (3)
HIST 468	American Military Experience (3)
HIST 597	Evolution of Warfare (3)

CSCI 101	Introduction to Computer Concepts (3)
CSCI 102	General Applications Programming (3)

Or any baseline computer science course for your major that demonstrates basic computer proficiency.

MINOR IN MUSIC

The minor in Music has **three credits of prerequisites** and **ten credits of core requirements**, and **eight credits chosen from music electives**.

Prerequisite (3 hours):

MUSC 115 Introduction to Music Theory (3)

[Note: May be used to fulfill the fine arts portion of the General Education Requirements.]

Required (10 hours):

MUSC 100 Recital Class (two semesters) (0)

MUSC 116 Theory of Tonal Music I (3)

MUSC 117 Sight singing and Eartraining I (1)

MUSC 118 Sight singing and Eartraining II (1)

MUSC 145 Introduction to Music Literature (3)

OR

with the approval of the Associate Dean or Instructor, any music history or music literature course. Current choices include MUSC 353, 354, 543-587

AND

Music ensemble for 2 semesters (2)

Electives (8 hours):

Ensemble: maximum of four (4) additional credits.

Applied: maximum of eight (8) credits. The student may receive credit for two semesters of study at the 101 level, but must make normal progress in the applied sequence (MUSC 111, 211, 311, 411) for more than two (2) credits to be allowed toward the minor.

Theory or history: 200-level or above.

Music Education: any MUED course

**CONSULTATION WITH THE UNDERGRADUATE DIRECTOR
IN THE SCHOOL OF MUSIC IS REQUIRED.**

MINOR IN NAVAL SCIENCE

All students electing to minor in Naval Science must complete at least twenty-four (24) credits of prescribed courses. Each student must complete 12 hours at the 300 level courses or higher. All minor courses must be passed with a grade of C or better. At least 12 hours of the student's minor must be completed at the University of South Carolina.

Prerequisites:

- NAVY 101 Fundamentals of Naval Science (3)
- NAVY 102 Sea power and Maritime Affairs (3)

Required:

- NAVY 201 Naval Ships Systems I (Engineering) (3)
- NAVY 202 Naval Ships Systems II (3)

Choose any four courses:

- NAVY 301 Navigation/Naval Operations I with Lab (4)
- NAVY 302 Navigation/Naval Operations II with Lab (4)

- NAVY 303 Evolution of the Art of War (3)

OR

- HIST 597 Evolution of Warfare (3)

- NAVY 401 Naval Leadership and Management I (3)

OR

- MGMT 371 Principles of Management (3)

- NAVY 402 Naval Leadership and Ethics (3)

- NAVY 403 Amphibious Warfare (3)

MINOR IN NEUROSCIENCE

This minor is designed for students going into graduate studies in neuroscience, animal behavior, or psychology, students going into medicine, and students simply interested in gaining a better understanding of their own interactions with the world. The minor will provide opportunities to develop a strong background of how the nervous system works from the social and behavioral to the cellular and molecular levels. Beyond a core requirement, students may focus on topics of specific interest. Research experience is required.

Application. Students must complete an application and qualify for the Neuroscience Minor. Applications can be submitted any time after the freshman year (30 credit hours completed). Normally, students will be expected to have at least a 3.3 grade point average. Applications will be evaluated by a Neuroscience Education Committee, and they will be judged on overall academic merit. Application forms can be obtained from the Departments of Psychology, Biological Sciences, the College of Arts and Sciences and the Honors College.

Opportunity to Participate in Honors College Courses. Courses suitable for the Neuroscience Minor may be offered as honors courses. Students who are doing a minor in Neuroscience will be able to take these courses, and they will have priority in registration, even over Honors College students who are not doing a minor in neuroscience. This will provide students outside of the Honors College with the opportunity to do course work in the Honors College.

Requirements. Eighteen credit hours are required to satisfy the minor. Students must complete at least 2 of the listed core courses (Group A), and an optional distribution of courses from a secondary list (Group C). Students must also complete 2 to 3 credits of neuroscience research experience in a participating laboratory (BIOL 399, PSYC 498 or SCCC 399) -- these 3 credits are in addition to the research or practicum credits that may be applied to the chosen major. Additional honors proseminars or other specialized courses in the Neurosciences may satisfy minor requirements in Group C, provided the course substitutions are approved by the Neuroscience Education Committee.

Courses

Group A: Core classes (Choose at least two from the following):

Introduction to Neuroscience, SCCC 330P – 3 credits

Neurobiology, BIOL 635 (includes lab) – 4 credits

Physiological Psychology PSYC 460 – 3 credits

Group B: Research in neuroscience (Choose one of the following):

Independent Study, PSYC 498 – 2 to 3 credits

Independent Study, BIOL 399 – 2 to 3 credits

Independent Study, SCCC 399 – 2 to 3 credits

Group C: Select courses (typically three classes) from the following list to complete 18

credit hours:

Becoming Human, ANTH 361 – 3 credits

Animal Behavior, BIOL 534 - 3 credits

Laboratory in Animal Behavior, BIOL 534L - 1 credit

General Physiology, BIOL 460 or Comparative Physiology, BIOL 543 - 3 credits

(Note that both courses BIOL 460 and 543 cannot be counted toward the minor)

Cell and Molecular Biology, BIOL 302 – 3 credits

Cell and Molecular Biology, BIOL 302L – 1 credit

Nature and Consciousness, PHIL 309 – 3 credits

Psychology of Consciousness, PSYC 370 – 3 credits

Survey of Learning and Memory, PSYC 400 – 3 credits

Survey of Cognitive Psychology, PSYC 405

Sensation and Perception, PSYC 450 – 3 credits

Psychology of Drug Use and Effects, PSYC 503 – 3 credits

Psychology of Mental Retardation, PSYC 524 – 3 credits

Cognitive Neuroscience, PSYC 507 – 3 credits

Cognitive Neuroscience Laboratory, PSYC 571 – 3 credits

Advanced Physiological Psychology, PSYC 560 – 3 credits

Physiological Psychology Laboratory, PSYC 570 – 3 credits

Neurobiology of Culture, SCCC 386F – 3 credits

MINOR IN PHILOSOPHY

Prerequisite:

PHIL 110 Introduction to Logic I
(May be used to satisfy a portion of the General Education Requirement)

Required: eighteen hours of courses at the 200-level or above.

The **six** courses composing the minor should, to the greatest extent possible, have **some common theme**. For instance, it is possible for students to choose courses emphasizing the following general areas in philosophy:

- *History of Philosophy**
- *Ethics, Aesthetics and Value Theory (including social and political philosophy)**
- *Logic, Epistemology, and Metaphysics (including the philosophy of science)**

Students in the College of Arts and Sciences, Liberal Arts division should be aware of the fact that they need to take an **additional** course in **philosophy** (*other than the courses that are being used for the Philosophy minor or Philosophy 110 or 111*) to satisfy the **Philosophical Reasoning** portion of the College's General education Requirements. **Philosophy 102** may be used for this purpose. Students who may desire to do graduate work in Philosophy are advised to take more than one course at the 500 level.

Courses must have the approval of the student's advisor and an advisor in the Philosophy Department. The approval of the Philosophy advisor may come at any stage of the program.

MINORS IN POLITICAL SCIENCE AND INTERNATIONAL STUDIES

POLITICAL SCIENCE

Required (3 hours):

POLI 101 The United States and the World Problems

OR

POLI 201 American National Government

Additional Requirements:

15 hours of POLI courses numbered 300 and above

INTERNATIONAL STUDIES

Required (3 hours):

POLI 101 The United States and the World Problems

Additional Requirements:

15 hours of internationally-oriented POLI courses numbered 300 and above.

The content of each minor should reflect the student's interests and career aspirations. It should be determined through consultations between the student and an advisor designated by the Political Science department. Contact the Political Science Office of Undergraduate Student Services (777-3109) for assistance or additional information.

MINOR IN PORTUGUESE

The Minor in Portuguese is comprised of 18 hours chosen from among the following:

PORT 202	Intermediate Portuguese	(3)
PORT 301	Cultural Manifestations in Modern Brazil	(3)
PORT 398	Selected Portuguese Topics	(1-3)
PORT 399	Independent Study	(3-6)

Up to two different Independent Studies courses may be used towards the minor.

MINOR IN PSYCHOLOGY

Required:

PSYC 101 Introduction to Psychology
(*May not be used to fulfill social science requirement and also minor requirement*)

Electives (3 courses):

PSYC 400 Survey of Learning
PSYC 405 Cognitive Psychology
PSYC 410 Survey of Abnormal Psychology
PSYC 420 Survey of Developmental Psychology
PSYC 430 Survey of Social Psychology
PSYC 440 Survey of Personality
PSYC 450 Sensation and Perception
PSYC 460 Physiological Psychology

Choose *any two* additional courses from the 200-, 300-, 400-, or 500-level.

One course, but not both, may come from the following group:

PSYC 399 Independent Study (3)
PSYC 489 Community Psychology Practicum (3)
PSYC 498 Advanced Independent Study (3)
PSYC 598 Individual Research (3)
PSYC 599 Individual Research (3)

MINORS IN SCIENCE AND MATHEMATICS

MINOR IN ACTUARIAL MATHEMATICS AND STATISTICS

Prerequisites:

MATH 141 Calculus I
MATH 142 Calculus II
MATH 250 Vector Calculus **OR** MATH 241 Vector Calculus

Required:

MATH 511 Probability (=STAT 511)
STAT 512 Mathematical Statistics
STAT 513 Theory of Statistical Inference

And three (3) courses from three (3) of the following four (4) categories:

- i) MATH 514 Financial Mathematics I (= STAT 522)
- ii) STAT 510 Applied Probability **OR** STAT 520 Forecasting and Time Series
- iii) MATH 526 Numerical Linear Algebra **OR** MATH 544 Linear Algebra
- iv) MATH 570 Discrete Optimization **OR** MATH 574 Discrete Mathematics

NOTE: Only one of MATH 526 or 544 may be applied toward minor credit

MINOR IN ASTRONOMY

Prerequisites:

ASTR 111, 111A Descriptive Astronomy I

Required:

ASTR 211, 211A Descriptive Astronomy II

AND at least 12 hours in advanced courses numbered 311 or higher.

MINOR IN BIOLOGY

Prerequisites:

BIOL 101 Biological Principles I
BIOL 102 Biological Principles II

Required:

*BIOL 301 Ecology and Evolution
*BIOL 302 Cell and Molecular Biology
*BIOL 303 Fundamental Genetics

***At least *two* of these must be completed *before progressing* to a higher level.**

Eight additional credits selected from 400 through 600 levels.

At least two (2) courses must have accompanying laboratories.

Other courses required:

CHEM 111, 112, and 333

NOTE: At least two courses beyond BIOL 101-102 must have accompanying labs.

MINOR IN CHEMISTRY

Prerequisites:

CHEM 111 General Chemistry
CHEM 112 General Chemistry
MATH 111 Basic College Math **Or** MATH 115 Precalculus Math

Required:

CHEM 321/321L Quantitative Analysis
CHEM 333/331L Organic Chemistry/Essentials of Organic Chemistry Lab
CHEM 334/332L Organic Chemistry II/Essentials of Organic Chemistry Lab

Plus 4-6 additional hours from courses numbered 300 and above.

MINOR IN GEOLOGY

Prerequisites:

GEOL 101		Introduction to the Earth
	<u>OR</u>	
GEOL 103		Environment of the Earth
	<u>OR</u>	
GEOL 201		Observing the Earth
GEOL 202		Rocks and Minerals
CHEM 111		General Chemistry
PHYS 201/201L		General Physics I
	<u>OR</u>	
PHYS 211/211L		Essentials of Physics

Required (4 upper-level Geological Sciences courses, with at least 3 selected from the following):

GEOL 305	Earth Systems through Time
GEOL 315	Surface and Near Surface Processes
GEOL 325	Stratigraphy and Sedimentary Basins
GEOL 335	Processes of Global Environmental Change
GEOL 345	Internal Earth
GEOL 355	Mountain Building: Structure and Tectonics

MINOR IN MARINE SCIENCE

Prerequisites:

MSCI 101	Introductory Oceanography
MSCI 102	Oceanography II

Required:

MSCI 311	Physical and Chemical Oceanography
MSCI 312	Biology of Marine Organisms

Plus at least two additional approved Marine Science Major Credit courses at the 300-600 level for a total of eighteen (18) credits (not including MSCI 101 and 102).

MINOR IN MATHEMATICS

Eighteen hours of STAT courses at the 500-level approved by the Undergraduate Director in Statistics.

Only one of these classes may be counted for minor credit: STAT 509 or STAT 515.

NOTE: MATH 241 is a prerequisite for some 500-level Statistics courses.

MINOR IN SOCIAL WORK

The minor in Social Work consists of eighteen semester hours. The sequence recommended below will enable students to complete the minor or cognate within a two-year period.

SOWK 302	Foundations of Social Welfare
SOWK 303	Services for Children and Youth
SOWK 304	Services for Families and the Aged
SOWK 305	Services for Women and Minorities
SOWK 306	Social Work in Other Nations
SOWK 404	Current Issues in Social Welfare
SOWK 421	Social Work Practice Methods

SOWK 399 (Independent Study) will be offered each semester, contingent upon availability of the instructor. **However, the department advises including only one independent study course per student.** SOWK 399 may be taken toward the minor or cognate, or to study a topic in depth.

SEQUENCE OF COURSE OFFERINGS:

Fall	SOWK 302, 304, and 421
Spring	SOWK 302, 303, 305, and 404
Maymester	SOWK 306
Summer I	SOWK 302
Summer II	SOWK 303

The College of Social Work also offers six correspondence courses through the Distance Education program, which enables students to enroll in the minor regardless of their geographic location.

MINOR IN SOCIOLOGY

Eighteen credit hours (6 courses) are required for the Sociology minor. SOCY 101 should be taken before all other sociology courses. While SOCY 220 need not be the second course taken for the minor, the Sociology department advises that this requirement be met early in the minor.

Required (6 hours):

SOCY 101 Introductory Sociology

SOCY 220 Elementary Statistics for Sociologists

(If an equivalent statistics course, such as PSYC 227, MGSC 291, STAT 201, or some other statistics course accepted by the Sociology department is used to meet this requirement,

another sociology course will need to be taken for a total of 6 Sociology courses.)

Electives (12 hours):

Choose one 500-level SOCY course

AND

Three additional sociology courses at the 300-, 400-, or 500-level. SOCY 399 can be used to meet this requirement.

MINOR IN SOUTHERN STUDIES

Required:

- SOST 301(=HIST 441) Introduction to Southern Studies
(SOST 301 is open only to students from the Honors College or the College of Arts and Sciences, Liberal Arts division and to declared Southern Studies minors from all colleges. It is not open to seniors.)
- SOST 302 Research in Southern Studies

Choose four courses those listed below:

(From at least two different disciplines)

- AFRO 335 Survey of Civil Rights Movement
- ANTH 303 African American Cultures
ANTH 304 Contemporary Cultures of South Carolina
ANTH 321 Archaeology of South Carolina
- BIOL 526 Fall Flora }
BIOL 527 Spring Flora } **(CHOOSE ONE)**
BIOL 528 Summer Flora }

MINOR IN SPANISH

A minor in Spanish is eighteen (18) semester hours at the 200-level or above, no more than six of which can be below 300. A typical student will take SPAN 209 and 210 (or 211), SPAN 309, and a minimum of three additional courses at the 300 and 400-levels. Students placing into the first course at the 300-level will take eighteen semester hours of 300 and above level course work.

The only **required course** in the minor is SPAN 309 Advanced Spanish Language I.

SPAN 315 Intensive Readings may not be applied to the minor.

The courses below are suggested, but not required.

* Students majoring in **Business** may include SPAN 316 (Business Spanish) in the minor program.

* Students majoring in **Political Science, International Studies, or Latin American Studies (LASP)** may take SPAN 401 (Spanish American Civilization).

* Students majoring in **literatures** may take 312 (Introduction to Reading Hispanic Literary Texts) and 404 (Literary Tendencies and Masterpieces of Spain) or 405 (Literary Tendencies and Masterpieces of Spanish America).

* Students majoring in **social sciences** may emphasize language and culture courses: 305 (Working with Hispanic Clients), 310 (Advanced Spanish Language II), 400 (Spanish Civilization), and 401 (Spanish American Civilization).

Students should check the offering of the special topics course, SPAN 375, each semester to see if the topic is especially appropriate for their specialization.

All students would benefit from SPAN 350, Spanish Language Study Abroad.

Students minoring in Spanish who are preparing for a semester-long or year-long study abroad experience involving Spanish language should complete the Study Abroad Approval Form with their individual academic advisors and college deans. The following should be kept in mind as students plan study abroad.

- 1) At least half of the minor must be completed in residence at the University of South Carolina, Columbia campus.
- 2) It is recommended that students complete SPAN 309 before a semester-long or year-long study abroad program.
- 3) In selecting study abroad courses for the Spanish minor, students must select courses from the following fields: Spanish language, Hispanic culture and civilization, Spanish linguistics, and Hispanic literatures.
- 4) The equivalent of SPAN 309 cannot be completed by a single course taken abroad. Students who successfully complete a year (two consecutive semesters) of Spanish language courses while studying abroad may be considered to have met the SPAN 309 requirement.
- 5) Students who successfully complete SPAN 309 at the University of South Carolina and who plan to take additional Spanish courses after study abroad may enroll in 300 or 400-level courses at the University.

MINOR IN SPEECH COMMUNICATIONS

The minor in Speech Communication provides students with the skills, knowledge, and experiences vital to being effective producers and consumers of communication in business, organizational, political, and cultural settings. The diversity of courses offered in the program span from training in public speaking, to studies of political arguments and debates, to analysis of how we communicate through our visual representations, behaviors, and cultural practices.

Requirements:

18 credit hours in Speech Communication (SPCH). 9 of those 18 credit hours must be in courses numbered 300 or higher.

NOTE: SPCH 222 may only count for 3 credit hours.

MINOR IN SPORT AND ENTERTAINMENT MANAGEMENT

Required (12 hours):

SPTE 201 Introduction to Sport Administration (3)

OR

SPTE 202

SPTE 325

SPTE 380

Resort and Club Recreation Programming (3)

Spectator Facilities Administration (3)

SPTE 440

Sport Business and Finance (3)

(Prereq: ECON 222, RETL 262, and FINA 363)

SPTE 490

Special Topics in Sport Administration (3)

(Prereq: Senior standing or consent of department head; may be repeated once for credit)

SPTE 530

Sport and the Law (3)

(Prereq: Advanced undergraduate status or permission of department chair)

SPTE 580

Business Principles in Athletic Administration (3)

(Prereq: Advanced undergraduate status or permission of department chair)

SPTE 635

Sport Event Development (3)

(Prereq: ACCT 225 and 226 or RETL 261 and 262; MKTG 350, FINA 363, MGMT 371 or equivalents).

SPTE 650

Integrated Marketing Communication in Sport and Entertainment (3)

(Prereq: MKTG 350)

Prerequisites for all courses must be completed prior to taking the course.

To be applicable to the minor, a minimum grade of "C" is required on each SPTE course taken with a cumulative 2.5 GPA being required on all SPTE courses taken.

Due to the demands of students majoring in Sport and Entertainment Management and our limited resources as a small department, **students desiring to minor in Sport and Entertainment Management will be required to take SPTE courses during the summer sessions (Maymester, Summer I and/or Summer II) unless a waiver to that requirement is granted by the department chair.**
